SUMMARY

I am an extroverted bookworm and web developer looking to enhance communities by cultivating equity via the ever expanding tech industry. I rely on my adaptability, keen attention to detail, and compassion for others to bring together my skill for web development and passion for social justice in a cohesive way.

EDUCATION

May 2018 to Aug. 2018	**General Assembly** Web Development Immersive
Jan. 2011 to May 2015	**California State University, Chico** BA Anthropology

SKILLS

TECHNICAL	HTML/CSS/Sass, JavaScript, Ruby, PHP, MySQL, MEAN stack, Ruby on Rails, Postgres, +
WORKPLACE	Organization, Active Listening, Fast Learner, Adaptable, +

PROJECTS

EnbyLoo
A place for people to find non-gendered restrooms. Built with Ruby on Rails, React, Sass, & Postgres.

bookshelf.
A MEAN stack directory for users to keep track of their favorite titles.

myMarkets
Group build that makes it easy to locate businesses that accept EBT food assistance. My responsibility in creating this app was aiding in building React components, seeding Postgres database, general concept, and group organization with Trello.

AWARDS

Aug. 2018	General Assembly · Certificate of Completion Participated in a full-time immersive web development course, completing in-class projects and personal projects focused on real-world applications of web development principles, tools and best practices. Developed a portfolio of individually and collaboratively focused in-class projects.

EMPLOYMENT

Redwood Community Action Agency ·
Street Outreach Worker/Client Services Specialist · Eureka, CA
Traveled throughout Humboldt County distributing personal hygiene supplies and food to at-risk and street youth ages 10-21. During my time in this position I was also the staff facilitator for Queer Coffee House, a weekly group for queer teens. Together with a local theater group we created a Queer Cabaret, an event where queer youth could take to the stage and express themselves creatively in front of a public audience
